

National Affiliate Membership

National Affiliate Membership is open to all members of ESE's National Affiliated Societies. It grants you full membership to ESE at a reduced rate.

- ➔ Members of National Affiliated Societies of ESE can benefit from a discount on ESE membership fees.
- ➔ Have your voice heard not only within your National Society but also across the European stage.
- ➔ Gain access to both the support of your National Society and the wider pan-European community available through ESE.
- ➔ National Affiliate Members of ESE receive the full benefits of ESE membership such as:
 - Reduced registration to ECE
 - Reduced registration to other ESE events
 - Free online access to ESE journals
 - Exclusive access to grants and prizes

To find out if your Society is a National Affiliated Society of ESE please visit: www.ese-hormones.org/membership

Fees and categories of ESE membership

	Standard fees	National Affiliate Membership fees
➔ <u>Ordinary membership:</u>	€80	€55
➔ <u>In-training membership:</u>	€20	€10
➔ <u>Reduced rate membership:</u>	€35	€20

A reduced rate is available for members who are under 35 years of age, nurses, retired or are from countries below high income country status, as classified by the World Bank. Income status can be checked at the Worldbank website.

Long-term membership is also available

- ➔ Three year membership: **€215**
- ➔ Lifetime membership: **€1280**

Further information is available here:
www.ese-hormones.org/membership

If you are unsure which category to apply for contact the ESE Office on +44 1454 642247 or email info@euro-endo.org
