

The beautiful Schwanenwerder island and its surroundings invite for a variety of sports and recreation - swimming, soccer, tennis, skating all around the lake - please don't forget to bring along your sportswear!

TRAVEL INFORMATION

By air:

Arriving at Airport Tegel:

- Take the express bus X9 (direction S+U Zoologischer Garten) from the airport to S+U Zoologischer Garten
- Change to S7 (direction S Potsdam Hbf) to S Nikolassee
- From station S Nikolassee, a shuttle bus will take you to the meeting venue

Arrival at Airport Schönefeld

- Take the express bus X7 (direction U Rudow) from the airport to U Rudow
- Change to U7 (direction S+U Rathaus Spandau) to S+U Yorkstraße
- Change to S1 (direction S Wannsee) to S Nikolassee
- From station S Nikolassee, a shuttle bus will take you to the meeting venue

By train:

Arrival at Berlin Hauptbahnhof:

- Take the S7 (direction S Potsdam Hbf) to S Nikolassee
- From station S Nikolassee, a shuttle bus will take you to the meeting venue

By local public transport:

- Take S7 (direction S Potsdam Hbf) or S1 (direction S Wannsee) to S Nikolassee
- From station S Nikolassee, a shuttle bus will take you to the meeting venue

By car:

- A115 (AVUS), take exit 'Spanische Allee', Wannseebadweg, Inselstraße 27-28, 14129 Berlin

Sponsors & Support

- European Society of Endocrinology (ESE)
- Deutsche Gesellschaft für Endokrinologie (DGE)
- Deutsche Diabetes Gesellschaft (DDG)
- German national consortium SKEMeT
- EnForCé, Berlin

Scientific Conference Office: Institute of Experimental Endocrinology
Charité – University Medicine Berlin
Mrs. Elke Abdel-Karim
Augustenburger Platz 1
10117 Berlin, Germany

Organizer/Veranstalter: Akademie für Fort- und Weiterbildung der DGE

First Announcement

ESE SUMMER SCHOOL ON ENDOCRINOLOGY 2018

SUNDAY, JULY 15 – THURSDAY, JULY 19, 2018

**Ev. Bildungsstätte Schwanenwerder
Berlin, Germany**

Main Topics:

- Adrenal Endocrinology
- Interactions between the endocrine and the immune system
- Enteroendocrine cells and neuroendocrine tumors
- Trace elements, minerals and the endocrine system
- ThyroidTransAct Session
- Methods, Techniques, Models

This is a joint project of the European Society of Endocrinology (ESE) with the German Society of Endocrinology (DGE), the European Young Endocrine Scientists (EYES) & Young Active Research in Endocrinology (YARE).
Sponsored by the DFG SPP 1629 & SKELMeT

The European Society of Endocrinology, the German Society of Endocrinology and DFG-funded projects can sponsor travel grants for young graduates and postgraduates.

Scientific Organizing Committee: Josef Köhrle (Charité, Berlin), Franz Jakob (University of Würzburg), Jochen Seufert (University of Freiburg); Heike Biebermann (Charité, Berlin) for ThyroidTransAct; Maria C. Zatelli, Ferrara, Italy & Marc Lombes, Le Kremlin-Bicêtre, France, representing ESE, and Representatives of YARE/EYES, Group 2017: Rahel Büttler, Hohenems; Luis Cardoso, Coimbra; Milena Doroszko, Turku; Julia Münzker, Graz; Lev Prystupkiuk, Kiev; Henriette Undeutsch, Boston

Format & curricular elements: Plenary lectures, Breakout working groups, Poster Sessions; Sports; Communication & Networking

GENERAL INFORMATION

PROVISIONAL PROGRAM (as of December 2017)

Sunday Afternoon

OPENING LECTURE: Sex-specific pheromone response in humans?
& Group work breakout session: [NN](#)

Monday Morning

YOUNG INVESTIGATORS SESSION 1 (ORGANIZED BY EYES & YARE):

[NN:](#)
[NN:](#)

Monday Afternoon

ADRENAL ENDOCRINOLOGY

a) Medulla development

[NN:](#) Catecholamines
[NN:](#) Stress and hypertension
[Anne-Paule Gimenez-Roqueplo, Paris, F:](#) Management of Pheochromocytoma

b) Adrenal steroids

[Gary D. Hammer, Ann Arbor, US:](#) Adrenal development (stem cells, zonation, ...)
[NN:](#) Cytochrome P450 enzymes and adrenal steroid hormone metabolism
[NN:](#) Dynamics of the adrenal steroidogenic system
[Felix Beuschlein, Zürich, CH:](#) Adrenal tumors – molecular basis and targeted therapy
[NN:](#) Local glucocorticoid metabolism in cancer tissue

Tuesday Morning

INTERACTIONS BETWEEN THE ENDOCRINE AND THE IMMUNE SYSTEM

[NN:](#) Intrahypophyseal Immune-Endocrine Interactions
[NN:](#) The immunomodulatory role of the hypothalamus-pituitary-gonad axis
[NN:](#) Anti-islet cell autoimmunity, dietary impact and microbial communities
[NN:](#) Macrophage control of human adipocyte mitochondrial bioenergetics
[A.Basak Engin, Ankara, TR:](#) Adipocyte-Macrophage cross-talk in obesity

Tuesday Afternoon

ENTEROENDOCRINE CELLS AND NEUROENDOCRINE TUMORS

[NN:](#) Deregulation of transcription factors controlling intestinal transcription factors

Wednesday Morning

TRACE ELEMENTS, MINERALS AND THE ENDOCRINE SYSTEM

[NN:](#) Calcium (Signalling, Hormone secretion, Ca-regulating hormones)
[Franz Jakob, Würzburg, D:](#) Phosphate (Phosphatonins, Hypophosphatasia, Bone)
[Leonidas Duntas, Athens, GR:](#) Iodine (Deficiency, Excess, AITD, Pregnancy)
[NN:](#) Selenium (Thyroid, Adrenals, CNS)
[NN:](#) Iron (Hemoproteins, CYPs, Hepcidin)

Wednesday Afternoon

THYROIDTRANSACT SESSION (sponsored by SPP 1629 ThyroidTransAct Priority Program)

[NN:](#)
[NN:](#)
[NN:](#)

Thursday Morning

YOUNG INVESTIGATORS SESSION 2 (ORGANIZED BY EYES & YARE):

Methods, Techniques, Models

[NN:](#) NGS sequencing
[NN:](#) Open Access Publication and New Media
[NN:](#) Scholarship and Grant Applications

The ESE Summer School has a long-standing tradition as an interactive hormone-, metabolism- and endocrine-related brainstorming event and meeting place between researchers in academia, industry and clinicians.

For 2017 and 2018, the meeting venue had to be relocated to the small island Schwanenwerder located in the Wannsee, one of the major lakes of Berlin, because the traditional location of this summer school near Bregenz, Austria, the Monastery Mehrerau, has been undergoing a major reconstruction and will be opening its doors for external events not before next year.

The Evangelische Bildungsstätte auf Schwanenwerder can house up to 62 guests, participation will be confirmed on first come - first serve basis. An overflow hotel has been reserved in walking distance. Please note that the Summer School is being held during a busy summer season in Berlin – therefore alternative accommodations may be difficult to obtain.

Deadline for registration and payment is July 1, 2018!

PARTICIPATION FEES

<u>Registration</u>	<u>Accommodation double room & board 4 days</u>	<u>Total</u>
Senior Scientists € 250.00	+ € 400.00	= € 650.00
Students/Postdocs € 120.00	+ € 340.00	= € 460.00

Registration fee for students, postdocs and other participants is including entry to all sessions, welcome reception on Sunday afternoon, coffee breaks and the conference handout.

The room and full board package for the entire meeting is 400.00 EUR for senior scientists and 340.00 EUR for students and postdocs. The accommodation costs include 4 nights' accommodation (arrival: July 30th, departure: August 3rd). If you want to share your room with a certain person who is already registered for the conference, you can do so by contacting EndoScience [johrendt@endoscience.de](mailto: johrendt@endoscience.de). Additional nights have to be paid on your own and need to be confirmed by EndoScience.

In case of accommodation outside the Evangelische Bildungsstätte auf Schwanenwerder full board has to be booked extra on-line.

For accompanying persons: if you want to share a double room please contact Endoscience

Generous meeting/travel grants are provided by the European Society of Endocrinology (ESE) and also the Deutsche Gesellschaft für Endokrinologie (DGE).

For Students/Postdocs only: For those students/postdocs who present posters, registration fee will be refunded upon active participation. Poster size: portrait format, 80 cm width, 110-115 cm height.

Applications for travel/meeting grants need to be submitted directly to either ESE or DGE. To qualify for these grants, membership is required, which can be applied for in parallel with registration and which is affordable also for young investigators (e.g. ESE in training members pay 20€/a). For **ESE membership** (<http://www.ese-hormones.org/membership/ordinary/index.aspx>) and ESE meeting grants to the summer school please contact the website <http://www.ese-hormones.org/prizes/ESEMeeting.aspx>. For DGE associated membership fee is 25€/a <http://www.endokrinologie.net/mitglied-werden.php>) and **DGE travel grants** applications can be submitted in parallel with membership application and registration (<http://www.endokrinologie.net/reisekosten-stipendium.php>).

Money refunding and participation will be made available on a "first register and pay, first served" basis.

Payment

By bank transfer (no cash payments of registration, room and boarding fees on site!)

Registration will be confirmed by mail. If no confirmation is received within one week, please contact the Congress secretariat.

Cancellation and refund policy

Notification of cancellation must be made in writing until **June 30, 2017** and mailed to the congress secretariat with a reference to the bank account where a possible refund may be remitted to. An administrative fee of 30 € will be charged for refunds.

Cancellation and refund fee

Before July 1, 2018, total refund (excluding the administrative fee). After July 1, 2018 no refunds should be expected.

Credit will not be given for unattended events, late arrivals or early departure. All refunds will only be processed after the Congress.
